

# Warnings

Your personal safety is paramount, however, it is up to you to be aware of the area's hazards. Some resources may have warning tags, but users should be aware of ALL potential risks. The Makerspace is not responsible for your actions.

Potential hazards include, but not limited to:

Electrical shock

Fire

Burns

Lead exposure

Contact the Electronics Tool Champion if you find faulty equipment capable of harming persons: Slack or email [jim@bellinghammakerspace.org](mailto:jim@bellinghammakerspace.org)

Please place a prominent note on it indicating necessary repair.
